The information contained herein is the proprietary and confidential information of Precise Biopharma Pvt. Ltd. Products protected by valid patents held by third parties are neither manufactured nor offered for sale, nor marketed in jurisdictions where such activities would constitute patent-infringing activity. Any references to such products merely constitute an example of our technical manufacturing capabilities for Precise Biopharma Pvt. Ltd.'s exclusive synthesis services relating to development of chemical processes for new and complex molecules and their exclusive manufacturing and, in any case, they should solely be intended for the purpose of carrying out studies, experimentations, manufacturing, and uses in order to obtain, also in foreign jurisdictions, marketing authorization relating to such products, with the exclusion of any uses for any other purposes. Accordingly, no information provided herein, including any references to any product or service, constitutes an offer of sale or should be construed as representing an offer of sale for any product. Specifically, nothing herein should be construed as promoting or advertising the sale or use of any product if such sale or use infringes a valid patent or is not authorized under applicable laws and regulations.
